**AMENDMENT**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

RECEIVED  
JUN 20 2002  
TECH CENTER 1600/2900

In response to the Final Office Action mailed March 12, 2002, Applicant submits herewith a Notice of Appeal, and requests that the Examiner consider the following amendment and remarks. Corrected drawings are also submitted herewith.

**Amendments**

**In the specification:**

At p.44, lines 5-28, insert the following substitute amended paragraph. A marked-up copy of the amended paragraph is provided in Appendix 3.

The second approach is based on identifying protein:protein interactions between the phage ORF product and bacterial, *e.g.*, *S. aureus*, proteins using a biochemical approach based, for example, on affinity chromatography. This approach has been described, for example, in
